

Another decade of growth begins...

Between 1998 and 2008, Cabell Huntington Hospital enjoyed a decade of unprecedented growth with the addition of many new state-of-the-art facilities, much-needed services, advanced technologies and leading-edge medical professionals.

As a new decade begins, you can count on Cabell Huntington to remain equally committed to continued growth – providing the people of our community with the outstanding level of care and service they deserve.

...and we look forward to sharing exciting, new growth plans soon.
