# Your partners for leading-edge emergency care

"I'm Coach Donnie Jones. In basketball, nothing is more important than training, teamwork and excellence. The same is true with emergency care.

"That's why – when it comes to choosing an emergency team – there's no better choice than the emergency and trauma experts at Cabell Huntington Hospital. The most comprehensive and qualified team in the Tri-State area – they're your partners for leading-edge emergency care – your partners for life."

**THE REGION'S MOST COMPREHENSIVE EMERGENCY CARE PROVIDER**  
Cabell Huntington Hospital is the **ONLY** hospital in West Virginia and the Tri-State area qualified to treat adult, pediatric, obstetric and burn trauma patients.
